Chief, Records Management Staff, DD/S

29 August 1956

THRU : Vital Materials Officer, ORR *EWL*
Chief, Cartography Division, ORR

Disposition of NIS Map Positives

1. It is requested that the following material listed on ORR's Availability Register under NIS negatives, be removed from the list, the IBM card destroyed, and the material returned to D/GC. This material was erroneously submitted by ORR.

01169
12894
13616
13855

2. Authorization is hereby granted to destroy all positives under ORR Cartography Division bearing the numbers 10,000 through 10,999, with the exception of the following, which are to be retained and carried on the Availability Register as ORR Cartography Division Negatives.

10409
10886
10887

3. Authorization is hereby granted to destroy the following positives listed under ORR Cartography Division. Because of duplication, the package number follows the map number to assure that the proper plates are destroyed. All other positives are to be retained and carried on the Availability Register as ORR Cartography Division Negatives.
